

**电机系列 Motor series**

	Product name	CMEC-YF3 series high efficiency energy saving motor
	Product class	Existing products
	Information: This kind of motors can be customized according to customers requirements. For more technical parameters, please contact us directly.	

	Product name	CMEC-YE2 series energy-saving motor
	Product class	Existing products
	Information: For more technical parameters, please contact us directly.	

	Product name	CMEC-Y Series Motor
	Product class	Existing products
	Information: For more technical parameters, please contact us directly.	

	Product name	CMEC-Z Series : Speed Reducer Motor
	Product class	Existing products
	Information: For more technical parameters, please contact us directly.
